Spend less than you earn
and do it for a very long time.

Save and invest wisely.

Avoid debt,
except mortgage debt
and maybe a car,
but only a good, used car,
then pay it off and start saving
to pay cash for the next
good, used car.

Ask God to help you
to become
the best person you can be
and to bring you
the best person
to be your partner for life.

KeeP working on becoming
the best person you can be.

Make your plans and
embrace change as it happens
to discover God's better plan.

Be generous and kind
and helpful.

Become a good friend
to as many people as you can.

If you marry,
marry your best friend
and live happily ever after.

Remember,
happiness is a choice,
and growth is painful and challenging,
and marriage is a beginning,
not an end to growth.

Best friends
don't have to be married
to be helpful.

Be grateful.

Every day is a gift.

If everything

seems dark and shitty,

maybe it's time

to pull your head out of your ass.

Be creative,
Use your imagination,
Express yourself.

Live! Love!
Laugh!
